Nothing an Army is Comparatively Easy,

especially now, for it is the aim of the designer of uniforms to have them and men to look as much alike as possible. But the expense of personalizing is possible only when men's clothes are individualized, and cut to measure.

and it is only then that there is pronounced evidence of good appearance.

PRICE AND NEARBY

J. C. Gallon of Kansas City, a nephew of Mrs. H. B. Robinson, stopped in Price this week for a short visit, being on his way to Idaho on business.

Henry Meyer, local agent for the Wells Fargo Express company, has moved with his family from the D. D. Lewis home on North Ninth street to No. 1 Olson Place.

A chondriest near Storrs the first of this week caused a good sized flood to sweep through that camp, doing more or less damage to the streets and yards of the place, but no one suffered bodily injury.

R. H. Holmes of the office force of the Utah Fuel company at Sunnyside was here the first of the week on his way north for a month's recreation. He is suffering from hay fever and is taking the trip in the hope of finding relief.

Prof. A. Barger and William Perry left yesterday morning in the Burgess automobile for Hixburg, Ida., where they will play with the Hixburg Military band during the annual harvest festival and fair. Mrs. Barger and the children accompanied them.

Owing to the absence of a number of members of the Price Concert band there will be no Sunday band concert for the next three or four weeks. Some five or six of the members are at the citizens' military training camp at Fort Douglas, while still others are away on vacations and business.

The first cartload of LeJu (loganberry juice) has just been brought to Utah by a Salt Lake City dealer. LeJu is a new drink which is made from the loganberries of the Willamette Valley, near Salem, Ore. It was introduced for the first time last year along the coast, where it is rapidly taking the place of alcoholic drinks in prohibition territory.

Accidents to the telephone system in this city and other parts of the county has made it necessary during the week for the company to send men out on the lines to ascertain the troubles and make repairs. It was found that there were several breaks in the wires. These have been mended and the "hello" girls and the public as well are happy.

A land deal involving close to ten thousand dollars in cash was recently consummated here, whereby P. O. Slevin of Price acquires the McGuire ranch near Woodside, embracing two hundred and forty acres of good land, improved with substantial buildings. The deal also includes some eighty head of live stock, consisting of cows, horses and hogs, together with large pens of poultry.

Less than a dozen voters took the trouble to register on the two registration days this week. To be entitled to a vote at the fall election you must be registered. Unless you voted at the general election two years ago your name will not appear on the official register. To make double sure go to the office of the registrar and see that your name appears on the list of voters. The next registration days are August 24th, October 16th, 11th, 17th and 23rd and November 1st.

E. M. Robbins, until recently local manager for the Ogden Packing and Provision company, has resigned his position and accepted a similar one with the same company at Provo, to which place he intends to move his family about the first of September. During his residence here Robbins has built up a good business for his company, and being otherwise a good citizen, his many friends will regret to note his leaving. F. E. Tarran has accepted Provo to fill the position of salesman for the company.

The dancing party given Monday evening in Masons Hall for Miss Jane Moxley by her parents, Mr. and Mrs. L. A. Moxley, was well attended and a success in every way. The time was enjoyed apart of dancing in music furnished by a three-piece orchestra, delicious punch being served the guests at intervals. The hall was well filled with young and old folk. During the evening Miss Coraetta Steverson delighted those present with the shepherd dance, which was greatly enjoyed and heartily enjoyed.

DEATH OF A. H. HUNTER

Funeral Services Held in Tabernacle Yesterday Afternoon.

Funeral services for Arthur H. Hunter were held in the Latter-day Saints tabernacle yesterday afternoon at 2 o'clock, attended by a large concourse of sorrowing relatives and friends. The services were in charge of Bishop Albert Bryner, President A. W. Hensley offered the prayer and the speakers were Bishop Reil of Orangerville and Ernest S. Hensley of Price, each paying a beautiful tribute to the departed and offering words of comfort to the wife and little children who are so sorely bereaved. The choir sang "Nearer, My God, to Thee" and "Abide With Me," and Elder Orson H. Guymon pronounced the benediction, after which the remains were laid to rest in the city cemetery, beside those of his mother and brother.

After returning home from a ten days' fishing trip in the latter part of July, A. H. Hunter was taken sick with stomach trouble. A few days later his physician advised that he be sent to the hospital, and on Thursday of last week he was sent to a Salt Lake City hospital, accompanied by Mrs. Hunter. The next day he was operated upon and the exact nature of his ailment was determined as ulceration of the stomach and peritonitis. From the outset the hospital physician in charge gave no hope of the patient's recovery. He lingered until 3 o'clock Tuesday morning, August 16th, when death claimed him.

Arthur Henry Hunter was 24 years of age at the time of his death, being born in Hamburg, Germany, September 2, 1890, the son of Mr. and Mrs. Henry Hunter. He was of a family of four children. His mother died at Price a number of years ago. His brother, Paul, died suddenly about three years ago while on the train, going from his home at Somerset, Colo., to Salt Lake City. The aged father and sister, Mrs. Harry World of Price and Mrs. Damon, who resides in the East, survive.

The Hunter family came to America early in the year of 1881, settling in New York City, where the family resided for some years. In 1889 Paul came to Price, and Arthur followed about five years later. He soon found employment in the coal camps, and for a time was employed with his brother, Paul, at the Utah Fuel company camp at Somerset, Colo. Later he returned to Price and found employment as a clerk in the local freight depot. For a time he operated a drug store in this city, and was also connected at various times with mercantile firms in the capacity of bookkeeper. At the time of his death he was serving his second term as treasurer of Price city. Being of a cheerful disposition, he was well liked by all classes and had the confidence and esteem of all.

The deceased was married to Eunice Snow, daughter of Mr. and Mrs. George W. Snow of Orangerville. Five children were born to them, the eldest being now about 8 years of age, who are bereft of the father's care and love, and to whom the sincerest sympathies of this community go out in the hour of their sore affliction, as has been fully attested by the many who so willingly and cheerfully offered substantial assistance to the family. He was a member in good standing in the Order of American Yeomen, from which source some insurance will be derived.

The meeting, the sale and the show will be held on the state fair grounds, only a ten minute ride from the center of Salt Lake City. Everything has been arranged to make this meeting the greatest event in the history of Western sheep affairs.

THE BEST LAXATIVE.

To keep the bowels regular the best laxative is outdoor exercise.
